1234 Live Oak Lane
San Antonio, Texas 71234

Dear Santa:

Merry Christmas! How are you doing? I hope that you have had a wonderful year! I am proud of everything that I have done this year, and I hope you are proud of me too. I'm four years old now, and I can read! I can also write my name, and I can count to 100! I went to a special camp for pre-kindergarten and I really liked it. I try to make the right choice, be kind, and take care of my body by getting healthy balanced foods, exercising, and getting rest. Mama and Daddy say that I am a great big brother, too!

I am so excited for Christmas this year! I would love to get some new Hot Wheels tracks, please. Did you know that I have my own room now? I really like playing with my Hot Wheels but I don't have any tracks except straight ones, so a few curved pieces would be wonderful. Thank you!

I will help Mama bake you some yummy cookies, and they will be waiting on your special plate with your special glass of milk on Christmas Eve!
Thank you so much, and Merry Christmas!

Love,

Kiddo

P.S. - Please tell Mrs. Claus that I say hello. And pet all the reindeer for me, and please give high fives to all the elves!
